“But I tell you who hear me: Love your enemies, do good to those who hate you, bless those who curse you, pray for those who mistreat you.”

Luke 6:27-28

From the Principal

Paul and I were blessed to spend 3 days last week at the New Zealand Association for Christian School conference in Wellington. It was an amazing time of inspiration and fellowship and I thank the BOT for enabling us to attend.

I will soon share our Vision diagram with you all, which is the culmination of parent and staff input last year. We need to keep true to our vision, which is what makes our school unique.

Have a great week
God Bless
Bev Bishop

Yummy Sticker Competition

Crunch on apples and collect Yummy sports money for our school.

Attached to this week's newsletter are Sticker Collection Sheets for you and your family. Start collecting Yummy stickers on apples, either bags with cut-out labels or individual apples. These stickers are then converted into a winning share of the \$200,000 sports prize pool of Champs Sports Packs. This is a great way for Southcity to restock the PE shed at no expense. Southcity has come away with over \$200 in sports gear for the last few years, so let's see if we can get over \$300 this year. You have until the 15th September to see how many you can collect. Please return completed sheets to the office.

More sticker sheets are available from the office.

SAINTS

Unfortunately the Saints lost this week 4-10, but all played a great game.

Player of the day was Monique Gillam.

Court and opposition will be advised via email, but please meet at the courts at 3.15pm on Thursday.

ANGELS

Whakawatea played admirably and left us with a substantial loss last week of 8-29, but as this was the final of 3 grading games, big wins and big losses can be expected. Good effort Angels against some tough opposition. Player of the day was Rebecca Milicich.

This week's game will be advised via email. If you are not receiving the notification then please email rachelle@southcity.school.nz so that you are included in the group update.
