*John 3:16*

### **From the Principal**

Our Vision diagram and explanation is now in the foyer (breezeway). Please have a look, and note the explanations which came from our parent meetings last year. Relationships come through very strongly in our vision.

Our hockey and netball teams are active most weekends. We are very grateful to our coaches and managers, who give up their time week after week to cater for the needs of the children. We really do appreciate the time you give up for Southcity.

Keep dry, and have a great week  
God Bless  
Bev Bishop

### **Cross country (y4-8)**

Our senior school cross country will be held on Friday this week. All students will be participating, so please remember to send in the permission for them to walk to Melville.

### **Permission slips**

While there is occasionally very short notice about events, we do need permission slips in on time, in order to get our organization sorted. We may in the future not follow up regarding permission for class trips etc and those children without permission could be left at school. Children have the responsibility to take slips home to parents and parents have the responsibility to ensure they are returned.

### **Hearing and Vision check**

All those who have not been checked this year will be seen by the nurse. She will visit on 24 June. If you do not want your child to be examined, please let the office know.

### **Scholastic Book Club Flyers**

The latest flyers are now available from the office. All orders must be back by Friday 4 June.
