*1 Timothy 6:12*

### **From the Principal**

Thank you for your prayers regarding our recent ERO visit. They spent two full days in the school, checking the quality of the learning and teaching throughout all the classes, and talking to a number of groups within the school. They were extremely positive about everything they saw, and the BOT were delighted with the verbal feedback they received. We shall place their working comments (on large pieces of paper) in the breezeway for you to have a look at. (This is likely to be near the end of the week.) The BOT will receive the unconfirmed report within 21 days, and then it will be another 3-6 weeks at least before we received the confirmed results. These will be sent home with the newsletter as soon as we receive them.

Have a great week

God Bless

Bev Bishop

### **Lost Property**

A number of pairs of shoes are being left behind at school each day. Our school rules state that children need to arrive at school and leave school wearing shoes. It would be very helpful if you as parents could ensure your child is wearing their shoes to go home. That way too, we are assured that shoes are not being left at school.

We are still finding plenty of unnamed items in the lost property. Please check your child's clothing is named, and check that the name has not washed off. That way it can be returned to you promptly.

### **Hearing and Vision check**

All those who have not been checked this year will be seen by the nurse. She will visit on 24 June. If you do not want your child to be examined, please let the office know.

### **Board of Trustees meeting (Advance notice)**

Thursday 17 June 5.45pm. Staffroom. All welcome.

### **Car Park**

In the interests of safety, we ask parents to rather have their conversations on the grass area, or on the front porch, rather than the centre of the car park. We are trying to ensure role modeling of good habits to our children.
